

4th June 2020

Parent Update
Wider Reopening w/c 8th June

Dear Parents & Carers,

We hope that you are all safe and well. As you are aware, acting on the advice of the Director of Public Health for Doncaster, we were unable to open our academy to Y6 this week. Today we have received updated guidance, confirming that schools should **NOT** yet open to wider groups.

As such, we will not be able to open for Y6 in the week beginning 8th June.

However, we will continue to review the possible wider opening to Y6 and other year groups on a regular basis, following Public Health advice alongside national guidance, and will update you accordingly.

Please note that the academy **will continue to be open** to provide childcare for vulnerable pupils and the children of key workers. Our return to the Morley Place site has been a successful one this week- children have adjusted well, behaved fantastically and been a pleasure to have back in school. **Please can we just remind all parents to pupils in these groups to regularly check their notifications on the Schoolcomms Gateway app and ensure to let us know of your weekly emergency childcare requirements by reply.**

Also, for those attending the childcare from next Monday, 8th June, can we request that all children not receiving free-school meals, use Parentpay to purchase their daily lunch. These are priced at £2.20 per day or £11 per week. This is in line with the Covid-19 risk assessments, as pupils are currently unable to bring food from home onto site.

Our thanks once again for your patience, support and understanding. It is very much appreciated during these difficult times.

Please continue to get in touch with us should you have any issues or queries. Take care and stay safe.

Yours sincerely,

Mr P. Rust
Academy Principal
