Parent Update
Wider Reopening w/c 15th June

Dear Parents & Carers,

We hope that you are all safe and well. Following the announcement and advice shared earlier today by the Director of Public Health for Doncaster, **we are now able** to begin the initial wider opening of our academy next week.

As such, we will be able to open for Y6 pupils at set times from the week beginning Monday, 15th June.

We will be in touch with you tomorrow afternoon with further details of the provision that we can offer pupils and arrangements for accessing site. *Please also continue to check the Schoolcomms Gateway app for further direct communications.*

*The academy will continue to be open to provide emergency childcare for vulnerable pupils and the children of key workers. **For parents of these groups of children, please ensure that you have notified us of the days you require for w/c 15th June- it is vital that we have these numbers in order to plan safely for our returning Y6 pupils.***

For those attending the childcare or taking up the offer of Y6 provision (once communicated tomorrow), can we request that all children not receiving free-school meals, use Parentpay to purchase their daily lunch. These are priced at £2.20 per day. This is in line with the Covid-19 risk assessments, as pupils are currently unable to bring any items from home, including food onto site.

Our thanks once again for your patience, support and understanding. It is very much appreciated during these difficult times.

Please continue to get in touch with us should you have any issues or queries. Take care and stay safe.

Yours sincerely,

Mr P. Rust
Academy Principal
