

15th March 2024

Dear Parent & Carers,

Red Nose Day 2024 is just around the corner (Friday, 15th March) and we will again be joining in with this national fundraising event. To raise money, we are hosting a sponsored skipping event. Children will use skills which were taught in the skipping sessions hosted by Dan the Man to see how many skips they can continuously complete in one minute.

Children will be working in pairs and timed using a stopwatch to see how many skips they can complete over one minute.

Red Nose Day is on Friday 15th March, and we are asking that children come into school wearing their PE kit and an item of red clothing.

If you would like to sponsor your child, or know of anybody who would, we would appreciate it if you could access the JustGiving page. Any amount of money is gratefully received, and we look forward to contributing towards the charity. Please use the link to donate money. The link will also be displayed on Class Dojo on the school home page if you would prefer to access it on there.

The money we raise will be used to change countless lives, both here in the UK and worldwide. Red Nose Day will be used as a learning opportunity to help our pupils explore the issues facing young people across the world, and how the money we raise can help. In fact, just £3 could pay for crayons, pencils, paint and paper for children less fortunate than us and £10 could cover the cost of 10 hot meals for a homeless person. We really appreciate your support and look forward to a great Red Nose Day.

Yours sincerely,

Head of Academy
